OUTPUT SCREEN

1) Instance List

2) Instance Live Link

Link : <http://ec2-54-167-207-194.compute-1.amazonaws.com:8080/>

The screenshot shows a web browser window with multiple tabs. The active tab is titled 'Vaccination Center Dashboard'. The browser's address bar displays 'ec2-54-167-207-194.compute-1.amazonaws.com:8080/dashboard'. The web application interface has a light gray header bar. On the left of the header are two tabs: 'citizen' and 'vaccine'. On the right are links for 'Logout' and 'Welcome, test'. Below the header is a table with the following structure:

ID	Center Name	Center City	Action
1	MH Hospital	null	View Edit Delete
2	TATA HOSPITAL	null	View Edit Delete

Below the table, the text 'Total 2 Centers Found' is centered. A button labeled 'Add New Center' is located in the top right corner of the table area. The browser's status bar at the bottom shows the Windows taskbar with various icons, the system clock indicating 2:05 AM on 7/26/2023, and the language set to ENG IN.
